The Historical Society AGM was held on the 28th of July 2020

Our current committee consists of:

President: Bette Blance, Vice-President: Bruce Dewhurst

Secretary: Anne Gifford, Treasurer: David Sing

Manager: Barbara Dalziel

Committee: Joan Jenkin, Sue Pritchard, Carol de Haas, Cliff Thomas.

Mike Gribble holds the position of Patron.

Morrinsville Museum are collecting the Countdown Super Insect cards. We feel that these could be a valued resource for the Natural History component of the Museum.

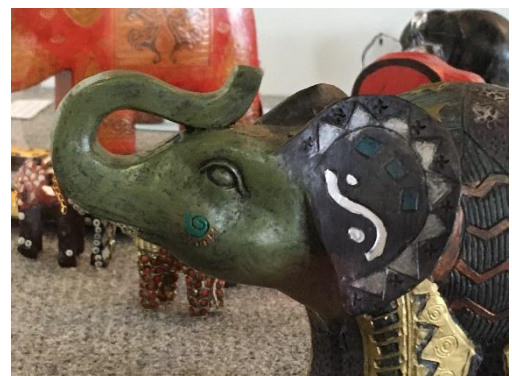

Working Bee

This will be held sometime in November, to be confirmed (*weather permitting*)

Our current Community Collections display is a fascinating group of **ELEPHANT** ornaments loaned to us by a volunteer GT Sarah. Many of these ornaments have been collected from Op Shops or have been given to GT by friends and those who know her lifelong interest in this animal.

This display will be here for about two more months. Please take this opportunity to view this collection.

Volunteers: Some interesting work was being done behind the scenes by our volunteers during level 2 with two new displays ready for your viewing. Outside the cottage is a new display with two mannequins dressed ready to attend a very special event in Morrinsville in 1919. Our textiles and costumes volunteers have been busily creating costumes, continuing the story inside the cottage in the kitchen and the parlour.

Remember I mentioned in the last newsletter that we had a big addition happening – for those who have not seen our north-facing roof we now have 35 solar panels installed and operating for the Museum.

Thank you to those who have paid their subscription and given donations. If you wish to continue receiving your newsletters, please arrange payment.
